

# FLOOR PLAN

LS<sup>2</sup> Annual Meeting 2018

## Student, Postdoc & PhD associations

- CUSO StarOmics program
- Lemanic Neuroscience Doctoral School of the Universities of Geneva and Lausanne
- ADAS - Association des Doctorants et Assistants en Sciences
- VAUZ - Vereinigung akademischer Mittelbau
- EPFL SV PostDoc Association
- FGLS - Fribourg Graduate School of Life Sciences
- BSNL - BioScience Network Lausanne
- Doctoral School FBM of the University of Lausanne
- MSc program Medical Sciences, University of Fribourg
- Doctoral Program in Organismal Biology, Univ. of Neuchâtel

- Registration
- Catering zones
- 1 - 46 Exhibitor booths
- Poster boards

## EXHIBITORS

- |                           |                     |                          |                        |
|---------------------------|---------------------|--------------------------|------------------------|
| 1 Socorex                 | 9 Takara Bio Europe | 24 Beckman Coulter       | 33 Promega             |
| 2 Jackson Immuno Research | 10 Frontiers        | 25 OLS OMNI Life Science | 34 INTEGRA Biosciences |
| 3 IGZ Instruments         | 11 CisBio           | 26 Perkin Elmer          | 41 Labgene Scientific  |
| 4 Witec                   | 12 Zeiss            | 27 Envigo                | 42 LubioScience        |
| 5 Huberlab                | 13 Adipogen         | 28 Bucher Biotec         | 43 BioTek Instruments  |
| 6 Roth                    | 14 Merck            | 29 Microsynth            | 44 Life Systems Design |
| 7 BMG Labtech             | 15 Merck            | 30 Chemie Brunschwig     | 45 Macherey Nagel      |
| 8 Biotechne               | 22 Andrew Alliance  | 31 Bioconcept            | 46 Enzo Life Sciences  |
|                           | 23 Tekan            | 32 Axon Lab              |                        |
