

# SPECIAL PROMOTION

Benefit from our giant portfolio of Fluorophores for your specific application and take your qPCR Probes to the next level.

**Get 20%** discount on all fluorescent dyes and rely on many years of experience in modifying DNA oligos! Just use Promocode **LS2-MULTICOLOR** when ordering your fluorescent dyes\*

ORDER HERE

\*Discount applies to list prices. Promotion is valid until 30.04.2021 and can only be redeemed once per account. Not valid in conjunction with other promotion codes; no cash alternative; cannot be split across orders.
